

INTERNATIONAL JOURNAL OF NANO CORROSION SCIENCE AND ENGINEERING.

BRIEF – CV
Mumtaz Ahmad Quraishi (Ph.D. D.Sc.) **FRSC (U.K.)**

Present Position: Professor and Head, Department of Chemistry,
Indian Institute of Technology (BHU) Varanasi.

Academic Qualifications: Ph.D. (1986), D.Sc. (2004) **Fellow**
Royal Society of Chemistry UK

Awards

Awards	Sponsored by	Year
NIGIS Excellence Award	Indian Section NACE International USA	2013
Meritorious Award	National Corrosion Council of India, TN	2012
Vigyan Ratna Award	Council of Science and Technology, U.P.	2008

Meritorious Contribution Award (Highest award)	Indian Section International USA	NACE 2007
MASCOT National Award	Electrochemical Society, IISC Bangalore	2001
Excellence Award	Indian Section International USA	NACE 1997
Best Paper Awards	MAAS India and SAEST India	1998 & 2003

Honors

- INSA visiting fellowship (1993), CSIR visiting fellowship (1995).
- Vice-Chairman Corrosion Group SAEST India 1995-97.
- Regional Director NACE India 1995 to 2000.
- Member Selection Committee for JRF/SRF/RA, CSIR, New Delhi (1997-2002)
- Member advisory committee young Scientist Award, CSIR, New Delhi (2002).

**Current Research Interests : Corrosion Control of Metals & Alloys by Green Inhibitors,
Nano Coatings and Nano Composites, Green Chemistry**

Publications

Publications 275	Citations 5300	h-Index 44	i10-index 110
---------------------	----------------	------------	------------------

Book: Corrosion inhibitors Science and Technology”, Ed. A. Raman. P. Labine and M. A. Quraishi NACE Houston, U.S.A. 2004.

Global status

Stands 1st in India Global rank 2nd : On the basis of quality publications in the field of Corrosion Science and technology. in the field of corrosion inhibition

Research Supervision : Ph.D. 13, M.Phil/M.Tech. 25.

Conferences Attended : 30 national and international conferences in India and abroad.

Foreign Visits : (Denmark, 1988; Denver, USA 1996; and San-Antonia, USA 1999), Denver USA 2002, Dubai 2013, Malaysia 2014.

Patents : 02

Member Editorial Board : International Journal of Electrochemistry, Journal of Materials and Environment, International Journal of Corrosion USA, Recent Patents on Corrosion Science (RPTCS).

Membership in learned Societies : Fellow Royal Society of
Chemistry U.K. (494750), Member NACE
(136053 Since 1991) USA, Fellow Indian
Electrochemical Society, Bangalore.

Prof. M.A. Quraishi
